

Merit Chinese School - 20th Anniversary Book/DVD

Now recruiting Parent Helpers

2007 marks the 20th Anniversary of Merit Chinese School. We are going to create an anniversary book and a DVD to celebrate this special achievement!

This book/DVD will document everything in our school with photos, video, music, essays. Most importantly, it will include your kid's photo, art work/school work, performance, activities, etc.

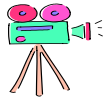

We are asking for your help to make this happen.

There are many ways to help, and you do not have to be an expert! You can spend a weekend taking photos in the school, or a few hours doing video editing, or even give us some ideas based on your experience. If you are interested, please let us know as soon as possible. We will also recruit students to participate such that they can be involved in this meaningful activity.

Here are some areas we will need help.

Photography: Take photos for class pictures, individuals, school events, regular school days, etc.

Video recording: Record school events, class performances, regular school days, etc.

Editing (writing): Compose, proof reading articles in English and/or Chinese.

Digital Image Processing: Scan, touch up, compose image into document.

Video Editing: Edit videos, DVD authoring, music clips research and editing

Creative Art/Graphic design: Design book / DVD covers, templates, creative art work
